**PLEASE NOTE:** Completion of the Train the Trainer class does not guarantee that you will be approved by a court or listed as a Parent Education provider on Virginia's Judicial System Web site. Virginia Code Sections 16.1-278.15 and 20-103 require litigants to attend a seminar "conducted by a qualified person or organization **approved by the court.**" (Emphasis added.) Therefore, it is up to the courts to approve or disapprove any parent education providers wishing to provide court ordered services. Each court determines the number of parent education providers necessary to fulfill its needs. The Office of the Executive Secretary conducts trainings and collects provider and curriculum information on the courts' behalf, in order to facilitate the courts' selection of Parent Education providers. The list maintained on Virginia's Judicial System Web site will reflect only the Parent Education providers approved by the courts.
