

Due to COVID-19 Appomattox General District Court will suspend all hearings except arraignments, bail reviews & protective order cases. Preliminary protective orders will be heard based off of the affidavit only as Full Protective Orders will be heard in person. Anyone incarcerated will have arraignments & bail reviews done by video. If you have traveled internationally within the last 14 days, traveled domestically within the United States where Covid-19 has sustained widespread community transmission, have been in contact with anyone who has Covid-19 or you are or have been sick or caring for anyone sick Please **DO NOT** come in. Call the office so we can reschedule your case. We will have a very liberal continuance policy for this time. For anyone coming in for arraignment we ask that if someone is with you they wait in the car to limit the number of people coming in and out. We expect Court to resume April 8, 2020. The Clerk's Office is still open if you need to call (434) 352-5540.
